

Tron Grid

User Guide

December 3, 2014

Description

This is a game inspired from the classic Tron game. The player has a “motorcycle” which leaves a trail on the grid. The player cannot come in contact with his/her own trail, the trail of his/her opponent(s), nor the walls. The player wins by forcing his opponent(s) to crash into his/her trail.

Features

Essentials

- At least two players can play
- Scoreboard
